

## GOLDEN ABACUS

Awarded to Rosaryhill School by the Spanish Chamber of Commerce in Hong Kong on 11 December 2008.

The award was received by Fr. Supervisor, Fr. Francisco de las Heras. All the Fathers in the school together with the Principals of the different sections attended the award presentation and dinner.

During the dinner there was an auction of a painting by a Spanish painter living in HK. The proceeds of the auction were donated to a Hong Kong charity that helps young children with loose parental support. The school obtained the painting, 'Dreams'. It will be displayed in the Primary Section library.
