Re.: **50<sup>th</sup> ANNIVERSARY CELEBRATION**

Dear parents, past and present students,

The school year 2008-09 marks the 50<sup>th</sup> Anniversary of the foundation of our school and it will be a year for all of us to celebrate the half century of history of our school. We have already started preparing the activities that we will organize for the celebration and soon, before the end of this school year, I will again contact you with more information.

The Motto we have chosen for the celebration is **LEARN THE WORD OF TRUTH**, which epitomizes the three main identities of our school: in education, religion and history. This Motto is very much based on the spirit of our Dominican Order since as, religious order, we have a strong religious commitment in our work of education, and in the badge of our Order, also adopted by our school, we have the word **VERITAS**, meaning **TRUTH**.

The main objectives that we have decided for our Anniversary celebration are:

- To celebrate the 50 years of existence of our school. (Historical identity)
- To ponder on our past as a Catholic institution and to strengthen our future. (Religious identity)
- To foster a sense of pride in the past, present and future generations of Rosarians of being members of our school. ( Educational identity)
- To assist administrative staff and teachers to achieve greater fulfillment as members of a Catholic educational institution. (Religious and educational identities)

Together with this introductory letter we are sending to you all our first invitation to collaborate in the 50<sup>th</sup> Anniversary Celebration by joining the “Logo Design Competition”. We will inform you again of other activities and seek your support.

We entrust our 50<sup>th</sup> Anniversary celebration to our Lady of the Rosary, Patroness of our School.
