

## **A Visit to Holy Spirit Seminary**

On 17 December 2018, about 20 teachers and students of the Spiritual Education Society and Altar Service Society of the Secondary School visited the Holy Spirit Seminary and the associated Holy Spirit Seminary College. Fr. Jordan Zhang, O.P. and Fr. Bosco Xiong, O.P. who studied Philosophy and Theology at the College took the group to visit different parts of this beautiful heritage site. All participants, teachers and students alike, felt spiritually nourished, and were enriched with a better understanding of the history of religious formation in Hong Kong and the rest of Southern China.
