

Closing Day Ceremony 2018

The Closing Day Ceremony was held on 10th July, 2018.

It was our great honour to have invited our alumnus, Ms. Winnie Choy, as our Guest of Honour. She shared her experiences with us and stressed that we should cherish every little thing happens around us and everyone that goes into our lives.

Every experience in life makes us better, no matter ups or downs, they help us grow and move forward. Every little thing we do leaves a mark, we should do good deeds and spread positivity. Everyone in our life is a world to explore, be humble, observe and listen, they will bring us to a new world. We should connect with people and learn from them.

After the speech, prizes were presented to students with outstanding performance in studies and co-curricular activities. The last programme was, bidding farewell to our beloved teacher at Rosaryhill Secondary School, Mr. Anson Fong. He will retire after this school year. We wish him all the best and may every day be filled with joy.
