

## **Senior Leadership Training Day 2017-18**

With four teacher advisors, 32 student leader green horns received their leadership training at Community Sports (上水展能運動村), Ma Tso Lung, Sheung Shui, N.T on 9 September, 2017 so that they could equip themselves with confidence and skills for carrying out their duties in the coming academic year.

To cultivate their team spirit and boost their confidence, they had to take up a number of challenging adventure-based tasks, such as cliff plank, whale tail, trust sky ladder, dragonfly touching water and high wall. A survey was done immediately after the training and the results were overwhelmingly positive. 87.5% of the students gave 8 to 10 marks on the question asking them 'Overall, I will give the training camp the following mark (1-10 marks)'.
