Cultural Performance Community Service

“**Wan Chai East Area 2018 - Building an Inclusive Community**” organized by the Wan Chai District Office and Baptist Oi Kwan Social Service, co-organized with Home Affairs Department, was held on 9/12/2018 (Sun) to promote cultural harmony and inclusivity. Twelve of our S.6 NCS students participated in the community service with a cultural performance – “Tinikling”, which is a Filipino bamboo dance. They took part in practicing, choreographing and preparing props and costumes. A brilliant performance highlighting rich Filipino culture was subsequently performed on stage.
