

Championship in 2nd Crate Stacking Challenge

We are delighted and proud to announce that five of our S.5B students, Ammar Muhammad, Mark Gabriel, ReshabhMandral, Villanueva Dylan and SubbaPreman formed the team, 5B Beasts, to participate in the 2nd Crate Stacking Challenge which was held on 16th October, 2018, and won the event by beating ten other teams in the Youth Division. The competition was organized by the Playground Association. The team stacked a record 18 crates in 1 minute and 15 seconds. Their endurance, strength and unbeatable teamwork impressed all the spectators and judges. Medals, a trophy and \$3000 dollars were presented to the team by the Chief Executive, Mrs Carrie Lam, GBM, GBS. We are hoping to introduce this new challenge to more students in the future.
