

HAPPY CHINESE NEW YEAR

2021

YEAR OF THE OX

Dear Students,

9 February 2021

I was very happy to meet you all at school in the past few weeks. Though we are still in the midst of the pandemic, we successfully completed our S.1 – S.5 First Term Examination and conducted S.6 face-to-face classes for a number of days. The arrangements were not easy as expected and we could not have it done without mutual understanding, trust, cooperation and coordination. This vividly demonstrated our Home-School Cooperation and our effective response to changes in our “New Normal”. Thanks to all the efforts of parents, teachers and students as well as the support from the non-teaching staff and our school bus drivers.

In the past two years, we lost some face-to-face disciplined and mindful learning time. I miss the scenes of students standing straight, looking smart with high spirit during the Morning Assembly at the Covered Playground as well as the moments when we had Prayers and Mindfulness together at the School Chapel. At the same time, I am worried our students’ life might become less organized. Let me remind you to be self-disciplined, manage your time properly and show love and support to your family members. You should also capitalize on the household environment to do some physical exercise as appropriate such as assisting in housework and keeping the house clean.

Chinese New Year (春節) is coming! It is the most important festival on the traditional Chinese calendar. It is not only the time for celebration, but also the time for new planning. As the Chinese saying goes, “一年之計在於春，一日之計在於晨”. It is the time for us to reflect on how we can do better and become a better version of ourselves than previous years.

Last but not least, S.6 students please work hard for the coming Mock Examination! We teachers always stand by you. Please contact us if you need any support!

Wish you all Happy Chinese New Year and Good Health!

Best regards,

So Pui Ting
Principal

Rosaryhill Secondary School
