

**Rosaryhill Secondary School  
Parent Teacher Association (2019-2020)**

Dear Parents and Guardians,

On behalf of the parents and students who are regular schoolbus users, the Rosaryhill Secondary School PTA, together with the Kindergarten and Primary PTAs, had a thorough discussion with the schoolbus department of the school. It is agreed that schoolbus fee will not be collected in April and May.

The above is based on an understanding that classes will resume in late April, so that parents are obliged to pay one and a half month of school bus fee during the school suspension period of three and a half months. It is understood that the school department needs to maintain the school buses and the salary payout for the drivers so they have already made an effort to deliver a concessionary arrangement.

It is also understood that the school is currently formulating the arrangement of make-up classes after final examination and we will leave that in the able hands of the principal and teachers.

In case there is anything that we can further assist, please feel free to contact the undersigned at [monica.cheungwai@gmail.com](mailto:monica.cheungwai@gmail.com).

Wish you and your family abundance of prosperity, blessings and good health.

Sincerely yours,

Monica Cheung Mok  
Chairperson  
Rosaryhill Secondary School PTA
